# Fetuna Cassette

As innovators of outdoor-living solutions in New Zealand for many years, Shade Elements has become an industry leader of awnings, screens and retractable pergolas.

Developed in France and custom manufactured in New Zealand to withstand our harsh elements, The Fetuna Cassette awning combines maximum protection and modern design with minimal maintenance. The fabric skin and awning mechanism are completely protected when retracted, ensuring a longer product life and superior functionality. Made with quality aluminum and stainless-steel components, the Fetuna Cassette is built to last and comes with a five-year warranty.

# Fabric

Colour - the key to creating the perfect environment for you. Our hard wearing fabric range has been carefully developed to make the very best outdoor living accents. Visit [shadeelements.co.nz](http://shadeelements.co.nz) to see the full fabric collection.

Designed and manufactured in Spain and known for its superb quality with an extensive colour palette.

Docril offers an impressive selection of 132 vibrant colours to suit any décor and comes with a 10 year UV warranty.

Shadeview fabric cleverly diffuses light, lends a pared-back finish and optimises views but it still protects you and your home from the elements. Available in different weave options with 25 colours.

# Automation

Awnings can be automated to respond to the touch of a button, allowing you to relax and enjoy the ease of remote operation.
